

A Few questions about our class on Grassroots Solutions to Corporate Power

Dear Friends

It has been a delight to share our Grassroots Solutions and Corporate Power class with you. We are now thinking about how we should carry on with in the future, and would love to have your feed back on the following questions to help us plan. Feel free to answer the survey even if you did not attend the majority of the classes. All feedback is good.

It would be good to get these back by the last class on _____. But if you can not get them back to us until later, that is fine too. If you prefer, please email the completed survey to _____ or mail it to _____.

Let us know if you have any questions. Thanks for all.
