## Buying The War: Media Manipulation

Empire of Lies: Bill Moyers

Published on Mar 14, 2015

Examining the lies that led the U.S. to war in Iraq and Afghanistan.

The seed of this story lies in the terror of 9/11... Like everyone else media was bewildered by the horror and havoc on that day. As people responded to the barbarity of a terrorist attack a flood of unity spread across the country. And as the military prepared to attack the terrorists, there was almost zero tolerance for condemnatory inspection by the media.
