

Think Like a Commoner: A Short Introduction to The Commons	David Bollier	2014	The best compilation of his thinking that presents a brief history and explanation of The Commons, which are mutually held, collectively managed property.
The Commons in the New Millennium: Challenges and Adaptation	Nives Dolak & Elinor Ostrom Eds.	2003	Analyzes new problems that owners, managers, policy makers, and analysts face in managing natural commons.
Governing The Commons: The Evolution of Institutions for Collective Action	Elinor Ostrom	2015	Nobel Prize winner “argues powerfully that communities of actors are able to maintain a common resource for long periods.”
How Privatization Threatens Democracy	Elizabeth Minnich & Si Kahn	2005	An account of privatization in many of its manifestations, with a focus on its effects on democracy.
The Magna Carta Manifesto: Liberties and Commons for All	Peter Linebaugh	2009	Demonstrates how ancient rights are repeatedly laid aside when the greed of privatization, the lust for power, and the ambition of empire seize a state.
Thirst: Fighting the Corporate Theft of Our Water	Alan Snitow & Deborah Kaufman	2009	The corporate drive to privatize and commodify water, manipulated and bought politicians, clinched backroom deals, and subverted the democratic process.
Wild Law: A Manifesto for Earth Justice	Cormac Cullinan	2011	Fuses politics, legal theory, quantum physics and ancient wisdom into a fascinating and eminently readable story about the Rights of Nature.
